

# Appendix

## Table of Contents

<b>Soils in Alabama</b> .....	1
Introduction .....	2
Using a Soil Survey .....	2
Some Properties of Soils.....	2
Depth to Bedrock .....	2
Hydrologic Group .....	2
Permeability .....	3
Plasticity Index and Liquid Limit.....	3
Slope.....	4
Soil Erodibility (K factor).....	4
Soil Reaction (pH).....	4
Texture and Classification .....	4
AASHTO.....	4
Unified System .....	4
USDA System.....	6
<b>Glossary</b> .....	49
<b>References</b> .....	65
<b>Local Information</b> .....	69
<b>Tables</b>	
Table Soils-1 Classification of Soil Materials for the Unified System .....	5
Table Soils-2 Size Limits of Soil Particles.....	6
Table Soils-3 Soil Texture Terms and Modifiers.....	7
Table Soils-4 Soil Characteristics for Principal Soils in Alabama .....	8
